

**Fresno County's population is growing!
Tell us: Where should we grow? Where will
the roads go? How will growth effect our
environment?**

Council of Fresno County Governments Blueprint Process

Public Visioning Schedule

The San Joaquin Valley Blueprint Planning Process is an eight county effort that will help develop a regional vision of land use and transportation used to guide growth in the San Joaquin Valley over the next 50 years. With growth comes challenges. The Blueprint Process provides an opportunity to work together to meet those challenges. Please join us at one of the citizen workshops listed below to discuss transportation and land use choices, and share your vision for Fresno County's growth. Please RSVP for the meeting are attending to Ellen Mata at emata@vrpatechnologies.com or (559) 473-8729.
