Date: Thursday, March 11, 2010  
Time: 5:00 p.m.  
Place: Council of Fresno County Governments  
2035 Tulare Street, Suite 201, Fresno, CA

### I. Public Presentations

This portion of the meeting is reserved for persons wishing to address the Committee on items within its jurisdiction but not on this agenda. **Note: Prior to action by the Committee on any item on this agenda, the public may comment on that item. Unscheduled comments may be limited to 3 minutes.**

### II. Minutes of January 14, 2010 Citizen Oversight Committee Meeting

### III. California High-Speed Rail Background Information

Provide the Oversight Committee with background information on development of the High Speed Rail System in Fresno County i.e. station location, alignments, visual profiles, etc.

### IV. High-Speed Rail Maintenance Yard and possible Measure C Amendment

Provide the committee with the most recent materials developed for the Fresno County "Fresno Works" Expression of Interest for the High Speed Rail Heavy Maintenance facility. The intent of this portion of the meeting is to allow questions from the Oversight Committee on the HSR Heavy Duty Maintenance facility itself. **Ideally this process will result in the Oversight Committee informing COG staff as to what level of financial detail they feel is necessary for public review as we move forward with a Measure "C" Plan Amendment to "redirect" funding from existing Measure "C" programs to the High Speed Rail Maintenance Yard.**
