

Long-Range Transit Plan Steering Committee

Fresno COG has been awarded a Caltrans grant, “Connected: The Fresno County Sustainable Communities Public Transit Plan”, to create an integrated long-range transit plan (Plan). The Plan will guide transit and multimodal investments and services in the Fresno region through the year 2050. The Plan will detail how to provide and preserve a sustainable, safe, innovative, integrated, and efficient transit system which will enhance Fresno’s economy and livability.

You are cordially invited to participate in a steering committee to assist in the development of the Plan.

We will meet on **Tuesday, May 30, 2017, 2:00 p.m. to 4:00 p.m.** at Fresno COG.

Preliminary Agenda

- ✓ Project Overview
- ✓ Outreach schedule including:
 - Coordination with RTP and ATP efforts
