

# The Fresno Council of Governments Invites YOU

to a

# Community Workshop

**Tuesday, April 25th from 5:30 - 7:30 pm  
at Hoover High School in Central Fresno**

*5550 N. First Street, Corner of First Street and Barstow Avenue*

**Join other community members at a workshop to discuss the future of our regional community!**

*Your Vision, Your Community* is a regional effort to improve the quality of life in our communities throughout the region. Join us to discuss our Regional Transportation Plan that takes a big-picture look at how our communities can grow over time.

We are designing a plan that uses resources efficiently, protects existing communities, conserves farmland and open space, and supports the regional economy while reducing greenhouse gas emissions. Planning in advance for growth can result in better neighborhoods, more housing and transportation choices, and a higher quality of life for residents.

**FREE dinner will be served, FREE child care and Spanish language interpretation provided for the presentation and materials. If interpretation is needed in additional languages please let us know when you call or email us to RSVP.**

If possible, please RSVP to Fresno COG (not required) to make sure we have enough food and workshop materials for all:

Phone: (559) 233-4148, ext 0

Email: [comment@fresnocog.org](mailto:comment@fresnocog.org)
