Paper Survey	Fresno County	West Park		Add bus stop, Add new service, Improve safety	West Park needs added bus stops that are accessible to our community.					
Central Fresno (June 29)	Fresno County			Add bus stop, Add new service	The residents of West Park request closer bus stop to them, the nearest stop range from 1-4 miles away. There are no services available within their community. Residents also requested that a stop for rural transit stop in West Park to make it easier for them to travel to Fresno and utilize the Fresno transit system.		Victoria Santillan	vsantillan@crla.org	559-441-8721	
Central Fresno (June 29)	Fresno County			Add bus stop, Add new service	West Park doesn't have any full-size grocery stores or other retail in or near the community. There are two mini-marts that do not provide access to fresh food and charge high prices. Because residents lack access to public transit they must purchase food at additional cost locally, which is both a health and financial burden. Access to public transit into Fresno would reduce this burden on		Victoria Santillan	vsantillan@crla.org	559-441-8721	
Central Fresno (June 29)	Fresno County			Add bus stop, Add new service	Residents suggest that the County provide them with bike share programs for the community to utilize to reach the nearest bus stop. Many residents of West Park are farmworkers and do not currently have access to any farmworkers carpooling or vanpooling options. They must pay significant cost for transportation to work. Sanger (June 20)	Fresno County	Transit to the Big Trees		Add new service	There was a transit, for 2 years, which transported community members to the National Parks/Big Trees. That transit was discontinued. It would be nice to have that transit reinstated.		Fred Heizman	hreizman95@gmail.com	559-394-7654	
Sanger (June 20)	Fresno County	Del Rey			The residents of Del Rey stated the transit makes so many stops, even though it begins at 8am. The residents of Del Rey will be late for appointments in Selma that stop at 9am. The residents of Del Rey would like to see an increase on hours of operation to assist in accommodating this.		Victoria Santillan	vsantillan@crla.org		
Sanger (June 20)	Fresno County				The residents of Del Rey requested additional hours of transit. Transit is currently limited to Monday-Friday 8am-5pm. There is no service on weekend per Del Rey residents. The current schedule makes it difficult for residents of Del Rey stated to run errands either during the work days before/after work and weekends.		Victoria Santillan	vsantillan@crla.org		
Sanger (June 20)	Fresno County				The Del Rey transit is one of the best performing rural transit services, with a farebook return rate of over 20% based on recent FCOG report. This is much higher than 10% returns rate required by state and suggests that increased services would be utilized. Residents have indicated that additional hours and weekend services would be utilized if they were provided. As stated per Del Rey residents.		Victoria Santillan	vsantillan@crla.org		

Sanger (June 20)	Fresno County				Del Rey residents request additional routes. Residents would like services directly to Fresno and Selma. Currently if a resident wants to visit Fresno they must first go to Sanger and then be transferred to Fresno. For the residents of Del Rey can be an all day trip because of multiple stops. Residents of Del Rey state social services are located in Selma not Sanger. Currently the residents of Del Rey without transportation have to pay private individuals for rides into other cities. Sanger (June 20)	Fresno County				Add or repair sidewalk Other	The residents of Del Rey state sidewalks throughout the community are needed. Portions of the community have no sidewalks still. Residents say safe walking paths are needed. People currently walk on the county roads for exercise. These roads have no sidewalks, no flood water drainage, no lights, and are not safe for children. Due to low levels of police enforcement, traffic laws are frequently disobeyed and drivers are unsafe. Residents want walking paths either in town around the park or at the least one of the county roads such as Jefferson. Funding for park improvements including additional play structures (twigs) and shade for play and structures.		Victoria Santillan	vsantillan@CRLA.org	559-441-8921
