Plan Purpose

- Address gaps in Regional Active Transportation Plan (ATP) – looking at county lands and county islands
- Collaborate with partners across the county to identify new recreational trail connections

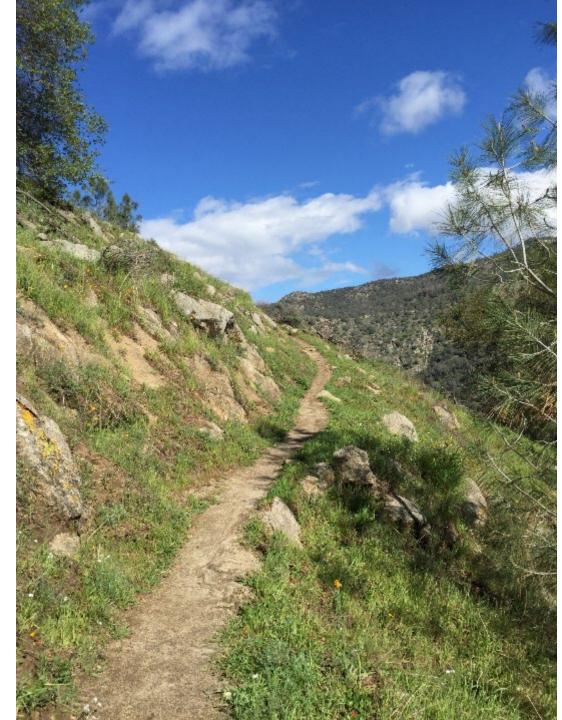

Plan Focus

Focus: Recreational trails

- Unpaved trails
- Paved shared-use paths (Class I trails)

County-owned land areas outside cities/towns and county islands

Trail Classification System

Kristen

Sidepath

- Paved
- ADA accessible
- Along roadways
- Recreation and active transportation

Shared-Use Path

- Paved
- ADA accessible
- Off-street alignment
- Recreation and active transportation

Off-Road / Multi-Use

- Unpaved
- Generally wide, level, and defined
- Some amenities
- Multi-use recreation

Off-Road / Single-Use

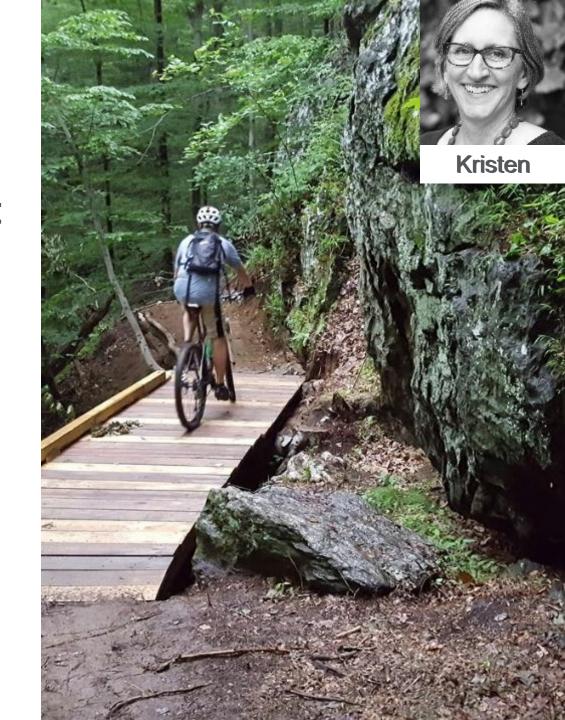

- Unpaved
- Can be narrow, rough, or steep
- Few amenities
- Single-use recreation

Recommendations

- ~375 miles of new proposed trails:
 - Unpaved (250 miles)
 - Paved (175 miles)
 - New trails + gap closures
 - Potential Mountain Bike Park
 - Both visionary and practical
 - Funding TBD
