RE: Golden State Boulevard Corridor Improvement Project

The City of Fowler extends an invitation to attend an informational meeting to preview the Golden State Boulevard Corridor Improvement Project. The meeting will be held at the Fowler City Council Chambers on Thursday, April 19, 2018 at 8:30 am.

The Fresno Council of Governments in partnership with the cities of Fowler, Selma, Kingsburg, Fresno County and the Fresno County Transportation Authority are working together to implement improvements along the corridor. In Fowler, a few of the planned improvements include:

- Pavement rehabilitation of the boulevard from DeWolf Avenue to American Avenue
- Westerly realignment of the boulevard from South Avenue to Adams Avenue
- Enhancement of bicycle and pedestrian facilities
- Standard and decorative street lighting
- Installation of traffic signals at the intersections of South Avenue and Temperance Avenue

The proposed westerly realignment of the corridor may require a change in the street name from 8th Street to Golden State Boulevard. We believe the realignment will be of interest for those businesses between South Avenue and Adams Avenue.

Please contact Dawn Marple at (559) 834-3113 ext. 122 or (559) 636-1166 if you have any questions. We look forward to seeing you on Thursday, April 19th. Thank you in advance.

Regards,

Jeannie Davis
