

Announcement

Nominate Transportation Professionals or Projects for 2019 Fresno Regional Transportation Innovations Summit Awards

The Fresno State Transportation Institute and Fresno Council of Governments are looking for nominations of local transportation projects and transportation engineers/planners for the 2019 awards consideration. The awards will be presented to the winning firms/individuals at the Awards Lunch on October 23rd.

Have you been involved in an exciting project? Do you work with or for a transportation professional who deserves recognition? This is your chance. Below are some of the categories that we hope to present awards in.

Deadline for Nominations - Thursday, September 26th

	Awards	Description
Project	Active Transportation Project	Transportation engineering or planning project that has promoted active transportation and non-motorized transportation.
	Complete Street Project	Transportation engineering or planning project that has considered different modes of transportation, non-motorized transportation, connectivity, accessibility, etc.
