Subject: Amendment No. 3 (Type 3 Formal) to the 2023 Fresno Council of Governments FTIP

Ms. Kahrs:

The Executive Director of the Fresno Council of Governments as authorized by the Policy Board hereby approves Amendment No. 3 (Types 2/3 Formal) to the 2023 FTIP.

This amendment includes projects whose cost changes are greater than 50% of the total project cost or more than \$20 million. Changes to the change reports include adding the Highway Bridge Programs List date of March 22, 2023, changing projects descriptions that were in the four-year FTIP cycle and moved into future/beyond years. Those projects are now included for information only. The Tribal Transportation Program (TTP) projects are included in the FTIP, and the financial summary tables include this update. The enclosed financial summary affirms that the 2023 FTIP is financially constrained, and funding is available. This FTIP Amendment No. 3 is consistent with the 2022 Regional Transportation Plan. The FTIP as amended meets all the applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP as amended conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore, a new conformity determination is not required. State and Federal approval will be required.

Fresno COG conducted a seven-day public review and interagency consultation period that was completed on June 12, 2023, at 5:30 pm. Five comments were received and the comments with responses are included in this amendment package. The public participation process for Amendment No. 3 is consistent with the Fresno COG Board adopted Public Participation Plan.

This amendment is available online at the Fresno COG website at www.fresnocog.org. An electronic copy of the four-year financial plan will be sent via email. If you should have any questions or comments, please feel free to call Christina White at (559) 233-4148, x240.

Sincerely,

TONY BOREN, Executive Director

Associate Planner**RE:** **Availability of Draft Amendment No. 3 to the 2023 FTIP for Interagency Consultation and Public Review**

The Fresno Council of Governments (FCOG) is proposing a Formal Amendment (Type 3) to the 2023 Federal Transportation Improvement Program (FTIP). The 2023 FTIP is the programming document that identifies four years (FY 22/23, FY 23/24, FY 24/25 and FY 25/26) of federal, state and local funding sources for projects in Fresno County. The proposed amendment will be circulated for a seven-day public comment period. Fresno COG's adopted amendment procedures do not require a public hearing for Amendment Type 3. Additionally, Type 3 amendments can be approved by the Fresno COG Executive Director as authorized by the Fresno COG Policy Board.

The FTIP as amended meets all the applicable transportation planning requirements per 23 CFR Part 450. This amendment includes projects whose cost changes, changes to the grouped project listing, new and deleted projects, and updates to the financial summary tables. FTIP Amendment No. 3 is consistent with the 2022 Regional Transportation Plan (RTP). The funding changes do not interfere with the timely implementation of any approved TCMs, and the FTIP as amended conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore, a new conformity determination is not required. State and Federal approval will be required.

Public Input

This amendment will be available for a seven-day public review and comment period beginning June 2, 2023, and concluding on June 12, 2023. Comments will be accepted on the FTIP amendment until 5:30 p.m. on June 12, 2023. Public notice of public involvement activities and time established for public review and comments on this FTIP amendment will satisfy the program of projects (POP) requirements for Federal Transit Administration (FTA) projects.
