Kien Le, Chief
Office of Federal Transportation Management Program
PO Box 942874
Sacramento, CA 94274-0001

Attention: Jennifer Ashby-Camp

Subject: Amendment No. 6 (Type 3 Formal) to the 2025 Fresno Council of Governments FTIP

Ms. Ashby-Camp:

As authorized by the Policy Board, the Executive Director of the Fresno Council of Governments hereby approves Amendment No. 6 (Type 3 Formal) to the 2025 FTIP.

This amendment includes new projects, cost changes, changes to grouped project listing, and updates to the financial summary tables. The enclosed financial summary affirms that the 2025 FTIP is financially constrained, and funding is available. This FTIP Amendment No. 6 is consistent with the 2022 Regional Transportation Plan. The FTIP, as amended, meets all the applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP, as amended, conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore, a new conformity determination is not required. State and Federal approval will be required.

Fresno COG conducted a 7-day public review and interagency consultation period that ended on May 15, 2025, at 5:00 p.m. **No comments** were received. The public participation process for Amendment No. 6 is consistent with the Fresno COG Board-adopted Public Participation Plan.

This amendment is available online at the Fresno COG website at www.fresnocog.org. An electronic copy of the four-year financial plan will be sent via email. If you have any questions or comments, please call Ofelia Abundez at (559) 233-4148, x205.

Sincerely,

Robert Phipps, Executive Director
Fresno Council of Governments

RE: **Availability of Draft Amendment No. 6 to the 2025 FTIP for Interagency Consultation and Public Review**

The Fresno Council of Governments (FCOG) is proposing a Formal Amendment (Type 3) to the 2025 Federal Transportation Improvement Program (FTIP). The 2025 FTIP is the programming document that identifies four years (FY 24/25, FY 25/26, FY 26/27, and FY 27/28) of federal, state, and local funding sources for projects in Fresno County. The proposed amendment will be circulated for a seven-day public comment period. Fresno COG's adopted amendment procedures do not require a public hearing for Amendment Type 3. Additionally, Type 3 amendments can be approved by the Fresno COG Executive Director as authorized by the Fresno COG Policy Board.

The FTIP, as amended, meets all the applicable transportation planning requirements per 23 CFR Part 450. This amendment includes new projects, cost changes, grouped project listing changes, and financial summary table updates. FTIP Amendment No. 6 is consistent with the 2022 Regional Transportation Plan (RTP). The funding changes do not interfere with the timely implementation of any approved TCMs, and the FTIP, as amended, conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore, a new conformity determination is not required. State and Federal approval will be required.

Public Input

This amendment will be available for a seven-day public review and comment period beginning May 8, 2025, and concluding on May 15, 2025. Comments will be accepted on the FTIP amendment until 5:00 p.m. on May 15, 2025. Public notice of public involvement activities and time established for public review and comments on this FTIP amendment will satisfy the program of projects (POP) requirements for Federal Transit Administration (FTA) projects.

The following documentation is included in Amendment No. 6 to the FTIP document and may also be found online at www.fresnocog.org:

- Attachment A: Summary of Changes
- Attachment B: Summary of Changes to Grouped Projects
- Attachment C: Grouped Projects: Detailed Listing
- Attachment D: Project Listings
- Attachment E: Financial Constraint
- Attachment F: Individually Programmed HBP Projects List
- Attachment G: Lump Sum HBP Item List

If you have questions regarding this amendment or wish to submit comments, please contact Ofelia Abundez at 559-233-4148, ext. 205, or via email at oabundez@fresnocog.org.

ATTACHMENT F

Individually Programmed HBP Projects List

2022/23-2027/28 Highway Bridge Program

See the appropriate FTIP/FSTIP for current funding commitments. This listing includes projects that should be individually listed in the FTIP/FSTIP. (Line item projects only)

3/24/2025, 11:15 AM

- Notes:
- 1) The purpose of this list is to show which projects being advanced by local agencies have met the eligibility requirements of the federal Highway Bridge Program and have been prioritized for funding by the Department in cooperation with local agencies for funding.
 - 2) Please see the Local Assistance web site for the most current listings:

http://www.dot.ca.gov/hq/LocalPrograms/hbrr99/HBP_FSTIP.html
 - 3) Contractual funding levels are determined at time of federal authorization/obligation for given phase of work. For details see Chapter 3 of the Local Assistance Procedures Manual.
 - 4) For FTIP/FSTIP purposes, Federal Highway Bridge Program (HBP) funding constraint is managed by Caltrans.
 - 5) Prop 1B bond funds (Local Seismic Safety Retrofit Program (LSSRP)) used for matching federal funds are also managed by Caltrans.
 - 6) Financial constraint of LOCAL matching funds (including regional STIP funds) and LOCAL Advance Construction (AC) is the responsibility of the MPOs and their local agencies.
 - 7) Some projects show that they are programmed using State STP funds. These funds are HBP funds transferred to the STP for bridge work that is not ordinarily eligible for HBP funds. See the HB Program Guidelines for details. Do not confuse these STP funds with Regional STP funds.
 - 8) Corrections to this report should be addressed to the District Local Assistance Engineer:

<http://www.dot.ca.gov/hq/LocalPrograms/dlae.htm>

ATTACHMENT G

Lump Sum HBP Item List

2022/23-2027/28 Highway Bridge Program

CAUTION -- This is NOT the FTIP/FSTIP. See the appropriate FTIP/FSTIP for current funding commitments. This listing provides the HBP lump sum amounts that should be programmed in the FTIP.

3/24/2025, 11:40 AM

- Notes:
- 1) This report summarizes how much HBP funds should be programmed as lump sum for the MPO.
 - 2) Programmed funds are based on rough estimates provided by local agencies. Guaranteed funding levels are determined at time of authorization for given phase of work.
 - 3) Prop 1B bond funds for the Local Seismic Safety Retrofit Program (LSSRP) used for matching federal funds are also managed by Caltrans.
 - 4) Financial constraint of LOCAL matching funds (including regional STIP funds) and LOCAL Advance Construction (AC) is the responsibility of the MPOs and their local agencies.
 - 5) Corrections to this report should be addressed to the District Local Assistance Engineer:
