Subject: Amendment No. 18 (Type 2-3 Formal) to the 2025 Fresno Council of Governments FTIP

Ms. Ashby-Camp:

As authorized by the Policy Board, the Executive Director of the Fresno Council of Governments hereby approves Amendment No. 18 (Type 2-3 Formal) to the 2025 FTIP.

This amendment includes new projects, cost changes, deleted projects, changes to grouped project listing, and updates to the financial summary tables. The enclosed financial summary affirms that the 2025 FTIP is financially constrained, and funding is available. This FTIP Amendment No. 18 is consistent with the 2022 Regional Transportation Plan. The FTIP, as amended, meets all the applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP, as amended, conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore, a new conformity determination is not required. State and Federal approval will be required.

Fresno COG conducted a 7-day public review and interagency consultation period that ended on February 13, 2026, at 4:30 p.m. **Four (4)** comments were received and addressed. The comments with the responses are included in this amendment package. The public participation process for Amendment No. 18 is consistent with the Fresno COG Board-adopted Public Participation Plan.

This amendment is available online at the Fresno COG website at www.fresnocog.org. An electronic copy of the four-year financial plan will be sent via email. If you have any questions or comments, please call Blake Rincon at (559) 233-4148, x 203.

Sincerely,

Robert Phipps, Executive Director
Fresno Council of Governments

**2025 FTIP Amendment No.18
Response to Comments**

Fresno Council of Governments (Fresno COG) conducted a 7-day public review period beginning February 6, 2026, and concluding on February 13, 2026, for the 2025 FTIP Amendment No. 18. Four (4) comments were received from Jennifer Ashby-Camp on February 10, 2026. Please see the response to the comments listed below.

Subject: RE: IAC: Fresno COG 2025 FTIP Draft Amendment No. 18/ FTIP Amendment - Additional Request

Response to comment(s):

Comment 1: Amendment note states project will not obligate CON this FFY and will be moved out to 26/27. Project to be placed outside of current FTIP until ready to be obligated. EPSP upon request. The narrative shows that local funds for CON \$55 were moved from 25/26 to 28/29 (\$55). The narrative shows that CMAQ funds for CON were moved from 25/26 to 28/29 (\$400). Backup listing (PDF page 14) appears to show the local funding and CMAQ funding in 24/25, not 25/26 as stated in the amendment notes. Please explain.

Response: The project's amendment notes have been changed to reflect the process of programming. Project's CON phase is to be moved out of 25/26 and into 28/29 which is reflected in the document and backup listing. The phase shown in FY 24/25 does not reflect these changes. Project coordinator is aiming to move the CON phase back into the FTIP within FFY 26/27 and will inform FCOG if that is the case next year. We will administer a formal amendment to bring this phase forward if that is the case.

Comment 2: Amendment notes state it is a new project to be created/amended into 2027 FTIP. Recommend changing the note to state the 2025 FTIP to be in line with current FTIP cycle for amendments

Response: The project amendment notes have been modified to reflect that these changes are taking place within the 2025 FTIP.

Comment 3: Grouped Project Listing on PDF page 11 (page 2 of 5 in the document). Project on the last line of the page is partially cut off and difficult to read.

Response: The page has been appropriately scaled and now all sections are legible.

Comment 4: Per prior Fresno COG FTIP Coordinator, Amendment 18 would include the attachment for the FLH projects that were missed in Amendment 16. Amendment 18 was supposed to capture the FLH projects in a similar manner following the “Best Practices for Amending TTIP and FLH TIP Projects” (attached for reference). Please explain if the FLH projects will be added in a future amendment to Fresno COG’s 2025 FTIP.

Response: Thank you for bringing this to our attention. The next formal amendment (#19) will surely include these requested Federal Land Highway (FLH) project changes.

RE: **Availability of Draft Amendment No. 18 to the 2025 FTIP for Interagency Consultation and Public Review**

The Fresno Council of Governments (FCOG) is proposing a Formal Amendment (Type 2-3) to the 2025 Federal Transportation Improvement Program (FTIP). The 2025 FTIP is the programming document that identifies four years (FY 24/25, FY 25/26, FY 26/27, and FY 27/28) of federal, state, and local funding sources for projects in Fresno County. The proposed amendment will be circulated for a seven-day public comment period. Fresno COG's adopted amendment procedures do not require a public hearing for Amendment Type 2-3. Additionally, Type 2-3 amendments can be approved by the Fresno COG Executive Director as authorized by the Fresno COG Policy Board.

The FTIP, as amended, meets all the applicable transportation planning requirements per 23 CFR Part 450. This amendment includes new projects, cost changes, changes to grouped project listing, deleted projects, and updates to the financial summary tables. FTIP Amendment No. 18 is consistent with the 2022 Regional Transportation Plan (RTP). The funding changes do not interfere with the timely implementation of any approved TCMs, and the FTIP, as amended, conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore, a new conformity determination is not required. State and Federal approval will be required.

Public Input

This amendment will be available for a seven-day public review and comment period beginning February 6, 2026, and concluding on February 13, 2026. Comments will be accepted on the FTIP amendment until 4:30 p.m. on February 13, 2026. Public notice of public involvement activities and time established for public review and comments on this FTIP amendment will satisfy the program of projects (POP) requirements for Federal Transit Administration (FTA) projects.

The following documentation is included in Amendment No. 18 to the FTIP document and may also be found online at www.fresnocog.org:

- Attachment A: Summary of Changes
- Attachment B: Summary of Changes to Grouped Projects
- Attachment C: Grouped Projects: Detailed Listing
- Attachment D: Project Listings
- Attachment E: Financial Constraint

If you have questions regarding this amendment or wish to submit comments, please contact Blake Rincon at 559-233-4148, ext. 203, or via email at brincon@fresnocog.org.
