Subject: Amendment No. 16 (Administrative Modification) to the 2023 Fresno Council of Governments Federal Transportation Improvement Program

Mr. Renganathan,

On April 19, 2024, with the acknowledgment of the Fresno COG Policy Board, the California Department of Transportation (Caltrans) delegated to the Fresno COG Interim Executive Director the authority to approve Administrative Modifications to the Federal Statewide Transportation Improvement Program (FSTIP)/Federal Transportation Improvement Program (FTIP). This delegated authority is in accordance with the revised FSTIP/FTIP Amendment and Administrative Modification procedures.

The Fresno Council of Governments (FCOG) Interim Executive Director has completed review of FCOG's Administrative Modification No. 16 to the 2023 FTIP. The Interim Executive Director finds that these proposed changes are consistent with the FSTIP/FTIP Amendment and Administrative Modification Procedures, the 2022 Regional Transportation Plan and the Public Participation Plan adopted by the Fresno COG Policy Board; therefore, approves these changes. FCOG certifies that all projects included in this modification are not included in any other amendment or modification to the 2023 FTIP currently out for public review or approval.

This administrative modification decreases programming capacity in the amount of \$3,161,000 that relies on the State's federal programming capacity. Our next amendment will update the financial information to reflect actual funding to support the subtracted programming capacity.

Please see;

Attachment B for the Summary of Change to Grouped Projects
Attachment C for the Grouped Projects Detailed Listings
Attachment D for the Project Listings**

It should be noted that the changes to these projects do not require a re-determination of the air quality conformity analysis. You should be aware that as per FCOG's adopted *Policies and Procedures*, Administrative Modifications are to be used whenever "minor" changes related to project costs, selection, or programming occurs. The projects being adjusted meet the criteria.

Under this delegated authority received from Caltrans, Administrative Modifications do not require Federal Highway Administration, Federal Transit Administration or Caltrans approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit

Administration that this Administrative Modification has taken place. We have updated our system, FresnoTrak, to reflect this amendment and will be uploading information into the California Transportation Improvement Program System (CTIPS). If you should have any questions or comments, please feel free to call Ofelia Abundez at (559) 233-4148 ext. 205.

Sincerely,

Robert Phipps, Interim Executive Director
Fresno Council of Governments
