2027 Fresno COG One Voice D.C. Sponsorship Opportunity

Help Shape Fresno County's Future

The Fresno Council of Governments (Fresno COG), together with regional leaders from government, business, transportation, agriculture, education, and community organizations, is preparing for the 21st Annual One Voice Washington, D.C. Advocacy Trip, taking place March 7 -11, 2027.

For more than two decades, One Voice has united Fresno County's public and private sectors with a common purpose: advocating for the federal investments, policies, and partnerships needed to strengthen our region's economy, infrastructure, workforce, water resources, transportation systems, and quality of life.

Through direct meetings with Members of Congress, federal agencies, and Administration officials, One Voice provides a powerful platform to elevate Fresno County's priorities and ensure our region's needs are heard where critical decisions are made.

Why Sponsor One Voice?

A sponsorship is more than a contribution. It is an investment in Fresno County's future.

Your support helps bring together regional leaders who advocate for projects and policies that create jobs, improve infrastructure, expand economic opportunities, and secure federal resources that benefit communities throughout Fresno County.

Over the years, One Voice efforts have helped attract hundreds of millions of dollars in federal funding and have advanced policy initiatives that continue to improve coordination among federal, state, and local agencies. The results have strengthened our region's ability to compete for funding, accelerate project delivery, and support long-term economic growth.
