Dear Mr. Boren:

SUBJECT: Conformity Determination for the Council of Fresno County Governments' (COFCG) 2011 Federal Transportation Improvement Program (FTIP) and the 2011 Regional Transportation Plan (RTP)

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the conformity determination for the Council of Fresno County Governments' (COFCG) 2011 Federal Transportation Improvement Program (FTIP) and the 2011 Regional Transportation Plan (RTP). A FTA/FHWA air quality conformity determination is required pursuant to the Environmental Protection Agency's (EPA) *Transportation Conformity Rule*, 40 CFR Parts 51 and 93, and the United States Department of Transportation's *Metropolitan Planning Rule*, 23 CFR Part 450.

On July 29, 2010, COFCG adopted the 2011 FTIP and RTP and made the corresponding conformity determination. The conformity analysis submitted by COFCG indicates that all air quality conformity requirements have been met. Based on our review, we find that the 2011 FTIP and RTP conform to the applicable state implementation plan in accordance with the provisions of 40 Parts 51 and 93. In accordance with the July 15, 2004, *Memorandum of Understanding (MOU) between the Federal Highway Administration, California Division and the Federal Transit Administration, Region IX*, the FTA has concurred with this conformity determination. Additionally, this conformity determination was made after consultation with the EPA, Region 9 office.

If you have questions or need additional information concerning this approval, please contact Joseph Vaughn (Joseph.Vaughn@dot.gov) of the FHWA California Division office at (916) 498-5346.

Sincerely,

/s/ Leslie T. Rogers
