County Clerk, County of Fresno

SUBJECT: NOTICE OF DETERMINATION  
ENVIRONMENTAL IMPACT REPORT RELATED TO THE FRESNO COG 2007 REGIONAL  
TRANSPORTATION PLAN

A Program Environmental Impact Report (EIR) was prepared by the Council of Fresno County Governments (COFCG or Fresno COG) for the proposed COFCG 2007 Regional Transportation Plan (RTP). The EIR discusses the potential impacts of transportation improvements associated with the RTP in the Fresno County region consistent with anticipated population growth to the year 2030.

On May 31, 2007, the Fresno COG Policy Board, the Lead Agency, adopted Resolution No. 2007-15 certifying the Final EIR and made the determinations/findings required by the California Environmental Quality Act (CEQA). Specifically, the Fresno COG Policy Board made the determinations listed below:

1. The project ( will,  will not) have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation Measures ( were,  were not) made a condition of the approval of the projects.

4. A Statement of Overriding Considerations (X was, \_\_ was not) adopted for the project.
5. Findings (X were, \_\_ were not) made pursuant to the provisions of CEQA, including Guidelines Section 15091.

Please direct any questions on the EIR to:

Barbara Goodwin, Executive Director
