March 2009 Benchmark

Industry detail may not add up to totals due to independent rounding.

(A) Self-Employed persons work for profit or fees in their own business, profession, trade, or farm. Only the unincorporated self-employed are included in this category. The estimated and projected employment numbers include all workers who are primarily self-employed and wage and salary workers who hold a secondary job as a self-employed worker.

Industry Title	Annual Average Employment		Employment Change	
	2008	2018	Numerical	Percent

(B) Unpaid family workers are those persons who work without pay for 15 or more hours per week on a farm or in a business operated by a member of the household to whom they are related by birth or marriage.

(C) Private Household Workers are employed as domestic workers whose primary activities are to maintain the household. Industry employment is based on the Quarterly Census of Employment and Wages (QCEW) program.
