Attention: Dennis Jacobs

Subject: *Amendment No. 10 (Administrative Modification) to the 2011 Fresno Council of Governments Federal Transportation Improvement Plan*

Mr. Jacobs:

The Executive Director of the Fresno Council of Governments (FCOG) as authorized by the Policy Board hereby approves Amendment #10 (Administrative Modification) to the 2011 Federal Transportation Improvement Plan (FTIP). Please see Attachment #1 for specified administrative changes to the FTIP.

It should be noted that the changes to these projects contained within this amendment do not require a re-determination of the air quality conformity analysis.

You should be aware that as per FCOG's adopted *Policies and Procedures*, Administrative Modifications are to be used whenever "minor" changes related to project costs, selection, or programming occurs. The projects being adjusted meet the criteria. Also, Administrative Modifications are used in lieu of standard FTIP Formal Amendments, and as such, are not subject to Federal approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Modification has taken place. We have updated our system, FresnoTrak, to reflect this amendment and will be uploading information into the California Transportation Improvement Program System (CTIPS). If you should have any questions or comments, please feel free to call Melissa Garza at (559) 233-4148 ext. 210.

Sincerely,

TONY BOREN, Executive Director
Council of Fresno County Governments
