***Subject: Amendment #7 (Type 3 Formal) to the 2011 Fresno Council of Governments
FTIP***

Mr. Jacobs:

The Executive Director of the Fresno Council of Governments as authorized by the Policy Board hereby approves Amendment #7 (Type 3 Formal) to the 2011 FTIP.

This amendment includes projects whose cost changes are greater than 40% of the total project cost or \$10 Million, new projects, changes to the group listing and updates to the financial summary tables. FTIP Amendment #7 is consistent with the 2011 Regional Transportation Plan. The FTIP as amended meets all the applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP as amended conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore a new conformity determination is not required. State and Federal approval will be required.

Fresno COG conducted a 14-day public review and interagency consultation period that was completed on August 31, 2011 at 4:30 pm. One comment was received and the comment and response are reflected in the final amendment. The public participation process for Amendment #7 is consistent with the Fresno COG board adopted public participation plan.

Included with this letter are two hard copies of Amendment #7 to the 2011 FTIP. An electronic copy of the four year financial plan will be sent via email. This amendment is available online at the Fresno COG website at www.fresnocog.org. If you should have any questions or comments, please feel free to call Melissa Garza at (559) 233-4148, ext 210.

Sincerely,

RE: Availability of Draft Amendment No. 7 to the 2011 FTIP for Interagency Consultation and Public Review

The Fresno Council of Governments (FCOG) is proposing a Formal Amendment (Type #3) to the 2011 Federal Transportation Improvement Program (FTIP). The 2011 FTIP is the programming document that identifies four years (FY 10/11, FY 11/12, FY 12/13, and FY 13/14) of federal, state and local funding sources for projects in Fresno County. The proposed amendment will be circulated for a 14-day public comment period. Fresno COG's adopted amendment procedures do not require a public hearing for Amendment Types #2 and #3. Additionally, Types #2 and #3 amendments can be approved by the Fresno COG Executive Director as authorized by the Fresno COG Policy Board.

The FTIP as amended meets all the applicable transportation planning requirements per 23 CFR Part 450. This amendment includes projects whose cost changes are greater than 40% of the total project cost or more than \$10 million, new projects, and changes to the grouped project listing. FTIP Amendment No. 7 is consistent with the 2011 Regional Transportation Plan. The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP as amended conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore, a new conformity determination is not required. State and Federal approval will be required.

Public Input

This amendment will be available for a 14 day public review and comment period beginning August 17, 2011 concluding on August 31, 2011. Comments will be accepted on the FTIP amendment until 4:30 pm on August 31, 2011.

The following documentation is included in the Amendment No. 7 to the FTIP document and may also be found online at www.fresnocog.org:

Attachment 1: Summary of Changes

Attachment 2: Revised Financial Constraint

Attachment 3: Updated Back-Up Listing to the Grouped Projects
